

DENNIS R. GLITCH

PRESENT ADDRESS

176 Seventh Avenue
Troy, NY 12180
(518) 274-8671

PERMANENT ADDRESS

9280 Fox Harrow Lane
Annandale, VA 22003
(703) 425-2734

OBJECTIVE

A mechanical engineering position integrating automation into manufacturing.

EDUCATION

RENSSELAER POLYTECHNIC INSTITUTE, Troy, NY
B.S. Mechanical Engineering, May 1989
Q.P.A. 3.2/4.0 (in major)

EXPERIENCE

CO-OP STUDENT TRAINEE

Naval Research Laboratory, Washington, DC
Summer, Fall 1988, Fall 1987

- Conducted mechanical testing of various alloys. Operated machining equipment, scanning electron microscopes, and other equipment in the preparation and analysis of tested and nontested samples.
- Designed and coordinated the phases of the experiment in an attempt to determine the cause of a problem encountered in the production of a new tank armor.

CO-OP ENGINEERING TRAINEE

Environmental Protection Agency, Washington, DC
Summer 1986

- Programmed for data entry, storage, and retrieval and managed the databases.
- Restructured existing programming and data files to improve data entry time by 100
- Taught classes in database management and programming.

HONORS

Rensselaer Medal, High School Valedictorian, Dean's List of Distinguished Students

ACTIVITIES

Alpha Epsilon Pi Fraternity, American Society of Mechanical Engineers, Karate and Skydiving Clubs

HOBBIES

Volleyball, weightlifting, and automotive repair
